ESG

HIGHLIGHTS

ESG: HIGHLIGHTS AND EVOLUTIONS

3Q23

We achieved **100% animal welfare certification in all poultry and pork slaughtering units in Brazil**, advancing with our commitment to certifying all units by 2025. The certifications were obtained through North America Meat Institute's and National Chicken Council's protocols.

In the year to date, we posted a reduction of **~8% in water consumption per ton produced** compared to base year 2020, **equivalent to 2.7 billion liters in 2023**, reflecting our discipline in water management.

In line with our **NetZero strategy** and in partnership with AES Brasil, we are using an average of **14MW of clean energy per month, with the expectation of reaching 80MW yet in 2023**.

Our brand **Qualy** launched a special package to celebrate the **milestone of 12 thousand tons of plastic** recycled in partnership with "eureciclo", **equivalent to approx. 490 million margarine tubs**.
